John Zager was before the police court Monday morning, charged with intoxication and when asked to plead by Judge Frank H. Foss Zager answered "Not guilty, not guilty." Sunday night about 11 o'clock, he gave Officer Grant Romble a decided battle at the corner of Chapman and Elm streets. Zager was loaded into an auto which happened along and was taken to the station. On the way Zager started another fight, kicked the windshield and succeeded in knocking out the glass, but it did not break. The owner of the truck, Daniel Wack, said that Zager was feeling "pretty good" and he said that he assisted the officer when other men in the vicinity refused to do so. Judge Foss imposed on Zager a fine of \$10 and costs amounting to \$21.15 which was paid.

Edward Goddard pleaded guilty to the charge of intoxication. Goddard was found in the railroad yard Saturday night in danger of being run over. The court records showed that he had been arrested twice during the past year, each time drawing a jail sentence. Goddard said that he was working in Windham. Judge Foss fined him \$10 and costs, amounting to \$17.15.

It took two little ten-year-old twins to break what is believed to be the record for long distance swimming and time at Lake Windham. South Convent, Saturday morning. Ethel and Claire, Mathieu, twin daughters of Mr. and Mrs. Henry J. Mathieu of this city, swam the extreme length of the lake, a distance of one-and-a-half miles, in one hour and forty minutes. The "hop-off" was at the shore of the Clark farm, at the northwest end of the lake and the finish at the gatehead at the shore in front of Wolfe's Icehouse, Lake Windham. The twins were accompanied over the course in a row boat by their father and William Robarge. The swimmers finished strong and completed their exhibition by doing some water diving and singing. Last week Miss Helen Camp, of Hartford, an expert swimmer and instructor, used up two hours in swimming over the course and another swimmer from Boston swam the distance in two hours and ten minutes.

Why Can't You Have the Pleasures Others Have? If That Dull, Nagging Backache Is Spoiling Your Summer and Making You Tired, Worn-out and Miserable, Look to Your Kidneys.

VACATION DAYS! Care and worry put aside—rest, recreation, good times! Such is August to many happy folks. But to others it means only another month of hot weather—of added burdens that tired bodies and frayed nerves can hardly endure.

Which picture tells your story? Is failing health making you uneasy and unhappy? Are you nervous and depressed; tired; worn out and miserable—back ache as though it would break? Don't give in to it! Find out what is wrong and try to correct it.

Have you thought of your kidneys? Kidney trouble often comes before the surface.

"Use Doan's," Say These Norwich Folks:

Calvin L. Briggs, carpenter, 37 Penobscot St., says: "I used Doan's Kidney Pills for pains across my kidneys. I couldn't rest at all as twinges of pain would catch me and I could hardly straighten up. It didn't take long to get to the bottom of the trouble as Doan's Kidney Pills gave me great relief." (Statement given May 17, 1916.)

On February 15, 1921, Mr. Briggs said: "It has been some years since I have used Doan's. I know they are a reliable remedy for weakened kidneys for they cured me."

Mrs. Bernard Neeson, 54 Union St., says: "My kidneys were weak and didn't act properly. Uric acid in my system caused rheumatic pains in my back and hips. When I bent over I could hardly straighten and it seemed as though my back were ready to go to pieces. At times my kidneys were too free in action. I doctored but the doctor didn't seem to be able to touch my case. Doan's Kidney Pills helped me almost from the start and finally cured me. I haven't been troubled since."
